

### CORE COMPETENCIES

G3 Business Services specializes in providing end-to-end IT consulting and healthcare staffing solutions for diverse organizations in both public and private sectors. Our approach is focused on delivering measurable value, achieving cost savings, and streamlining mission-critical projects.

- IT Consulting & Program Management: Expert guidance through the lifecycle of technology projects, including planning, implementation, and optimizations.
- Cloud Computing & Infrastructure Support: Deployment, migration, and management of secure, scalable cloud environments tailored to client needs.
- Cybersecurity (Offensive/Defensive): Comprehensive security solutions for threat detection, prevention, compliance, and risk mitigation.
- Workday, ERP, and HRIS Support: Configuration, maintenance, and user training for major enterprise platforms, optimizing workforce and data processes.
- Staff Augmentation (IT, Admin, Clinical): Rapid placement of qualified professionals across IT, administrative, and clinical roles, ensuring continuity and expertise.
- Healthcare Staffing (RN, LPN, CNA, Techs): Flexible, credentialed healthcare workforce solutions for clinics, hospitals, and labs.
- Risk Assessment & Policy Development: Creation of effective risk management frameworks and policies to comply with industry and government standards.
- Managed IT Services & Help Desk Support: Ongoing remote and on-site support for IT systems, user helpdesk, and infrastructure reliability.

### PAST PERFORMANCE

G3 Business Services has delivered results for major clients in multiple industries, demonstrating flexibility, reliability, and deep expertise:

- Amzur Technologies: Enabled enterprise transformation with skilled IT consultants, ensuring successful agile development and transition to cloud infrastructure.
- Advance Auto Parts: Deployed technical talent supporting resilient disaster recovery plans and uninterrupted business operations.
- Especially Yours: Provided high-impact staffing for visual direction, campaign leadership, and data-driven merchandising analytics to drive retail success.
- Ashley Stewart: Supported critical store upgrades and operational enhancements with expert IT consultants and project managers.
- ShiftPixy Resources: Implemented dynamic staffing solutions and compliance protocols for gig workforce platforms operating at scale.
- Medscreen Labs: Delivered precise invoicing and back-office support, improving the speed and accuracy of billing cycles.
